Relay For Life

On Saturday June 7th, more than 70,000 runners will join the fight against breast cancer as they meet in Washington DC for the 13th annual Race for the Cure- the largest 5K race in the world. Among the crowd, sporting green t-shirts with the slogan "Meet Me At Murphy's, will be Murphy's own team of spirited runners. Last year, forty-one of Murphy's friends and family gathered to support the cause by racing and raising funding and awareness for breast cancer research. Murphy's would like to thank everyone in advance who will be participating and helping to bring us one step closer to the cure.
